#### Mission:

**Provide Education to Children and  
Adults to Prevent Child Sexual  
Abuse, Bullying, and Internet  
Exploitation.**

November 10, 2015

### Statement to the Press from KidSafe Foundation

*“KidSafe Foundation supports the formation of a National Commission to investigate child sexual abuse occurring in the United States. Despite the increased awareness in this country, 1 in 4 girls and 1 in 6 boys are sexually abused and that harm usually occurs at the hands of someone these children know. 95% of abuse and exploitation of children is preventable through education.”*

*“Parents, teachers and anyone working with children must receive specialized training to decrease risk of abuse and identify dangers impacting children’s safety. Prevention education must be mandated in every elementary school in the United States to provide children with the information and skills that they need to remain KidSafe.”*
