

STATUTE OF LIMITATIONS REFORM AMENDMENTS

Representative **Ken Ivory** proposes the following amendments:

1. Page 2, Lines 27 through 29:

27 78B-2-308. Legislative findings -- Civil actions for sexual abuse of a child -- Window for revival  
of time

28 barred claims.

(1) The Legislature finds that:

(a) child sexual abuse is a crime that hurts the most vulnerable in our society and destroys lives;

(b) research over the last 30 years has shown that it takes decades for children and adults to pull their lives back together and find the strength to face what happened to them;

(c) often the abuse is compounded by the fact that the perpetrator is a member of the victim's family and when such abuse comes out, the victim is further stymied by the family's wish to avoid the "ugliness";

(d) even when the abuse is not committed by a family member, the perpetrator is rarely a stranger and, if in a position of authority, can bring pressure to bear on the victim to insure silence;

(e) in 1992, when the Legislature enacted the statute of limitations requiring victims to sue within four years of majority, society did not understand the long-lasting effects of abuse on the victim;

(f) the Legislature, as the policy-maker for the state, may take into consideration advances in medical science and understanding in revisiting policies and laws shown to be harmful rather than beneficial; and

(g) the Legislature has the authority to change old laws in the face of new information, and set new policies.

29 {~~(1)~~} (2) As used in this section:
