My car has been impounded since 2013. The car and driver's co-conspirators finally have their day in court ? 4 years and still no set trial dates ! Very fishy and proof there are those in high office who want this festering can of toxic worms to be buried....!

@Pluto (<http://connect.pennlive.com/user/GetMoe/index.html>) 16 year olds are underage minors. If by "Jerry's co-conspirators" you mean Tim Curley, Gary Schultz and Graham Spanier, they are currently awaiting a ruling from the superior court on their various and sundry motions (they want all the charges dropped among other things), mostly done in secret "sealed" filings. It has not been four years - but going on three for Curley and Schultz and two for Spanier.

There is nothing "fishy" about what these three indicted PSU admins and their PSU paid lawyers are doing to stay out of the courtroom. Their dockets are available and give a blow by blow history of their cases.

(<http://connect.pennlive.com/user/GetMoe/index.html>) well, can't very well deny that truth. Just have to be clear why it's being delayed (by the defendants actions - non other).

By the way - I was wrong about the dates so apologizes about that. Schultz and Curley were charged along with Jerry Nov. 11, Spanier a year later, so yeah, pushing 4 for two.

@nomoeno (<http://connect.pennlive.com/user/nomoeno/index.html>) 1) Actually you are mistaken. Jerry is in PRISON (there is a difference) - and is being protected from the other prisoners (mostly lifers) at SCI Greene, at great PA taxpayer expense.

2) What this man is doing is courageous because he is filing this action under his own name - and not under a Joe Doe # _____. He wants his day in court. Simple really.

 Even if the victim (God bless his courage) gets the court to rule in his favor, I sincerely
 doubt the prosecutors will put much effort into this as they think any guilty verdict will be
 overturned due to the statute of limitations (their understanding of it).

 Best of luck to him. Even if he succeeds in forcing the prosecutors to charge
 Sandusky, I can't imagine them putting much effort into the case given they think it will
 be overturned due to their understanding of the statute of limitations.

It will be interesting on how this judge rules. If the judge rules in favor of the plaintiff, does the
 AG appeal or do they move forward with charges??
